

ASKERN SPA Amateur Swimming Club

CLUB RULES

To make sure that everyone gets the most out of their time at Askern Spa Swimming Club sessions, the Committee need to ensure that all members adhere to the rules and regulations agreed in terms of expectation and minimum standards of behaviour.

The expectations and minimum standards are as follows

- Arrive in time for the session to start promptly
- Let Coaches know when leaving the pool if this is before the session has ended
- Be polite and courteous at all times to one another and the Coaches
- No messing about in the changing rooms including changing in a timely manner and keeping the area tidy
- Remember that we hire the **pool**, not the whole leisure centre from DCLT and their staff are there to help and be respected.

Any occasion that a member or their family do not adhere to the rules above or become aggressive or use foul/offensive language will be suspended immediately. A decision will then be made by the Committee on the future of that individual's membership of the Club and notified in writing.

The Club do want all members to make sure that everyone:

Focusses
Works hard
Achieves much
Has Fun !!!!!
